

**EXCEED Skills Exhibition  
2026 Edition**

# Join the EXCEED Skills Exhibitions!

## What are the EXCEED Skills Exhibitions?

The **EXCEED Skills Exhibitions** are international on line contests organised by the **EXCEED Centre of Vocational Excellence for the green and digital innovation in the Advanced Manufacturing**, where students can showcase **challenge-based projects** developed through collaborative works, with the support of their teachers, trainers, and technical tutors.

The **EXCEED Skills Exhibition** is **organised on a yearly basis**.

Every year,, a new challenge in the field of eco-digital transformation of Advanced Manufacturing will be launched and all interested VET providers (Schools, VET centres, Universities) can apply. making their students participating in a powerful high-quality learning experience!

## 2026 Challenge Theme
